

# WOVEN ART IN FOUR FINISHES

## Gobelin

Presented like the authentic pieces of the 14th and 15th century the tapestry is sewn in the original style. The front is your beautiful Meisterwerke piece; the back is finished with a beige linen fabric. We offer 2 possibilities for hanging the piece; with a slit in which a rod can be placed or with a velcro that can be mounted on a wooden pole.

Available size: 130x150cm

## Acoustic Wall Frame

Is a delicately incorporated on highly technical acoustic foam. On the backside two small metal wholes are visible for purpose of hanging the panel. A choice can be made between round or straight corners.

Available sizes:
